## 1. Aims

This policy aims to:

- ☐ Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- ☐ Set out how the school will make decisions on pupil premium spending
- ☐ Summarise the roles and responsibilities of those involved in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2021-22\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

The number of students receiving this grant is 11.4%. These students are a diverse cohort and there is no one size fits all plan. We decide how the grant is used by ascertaining the needs of individual pupils.

The academic progress and attendance of students entitled to the grant are carefully tracked by the Pupil Premium Mentor.

Pupils and parents are also met with on an annual basis to construct a portrait of the student's strengths, weaknesses and barriers to learning. This allows specific individual, or if appropriate, group needs to be met through a variety of interventions. These interventions chosen are identified by their efficacy. For this we not only use the Education Endowment Foundation resources but our bank of evaluated interventions that have been used within school, for example we have found that 1:1 sessions in English are very useful for improving analytical skills.

However the vulnerability of this cohort is also addressed through a pupil premium charter which ensures that all Students who are entitled to the grant receive the best possible quality of teaching and learning.

Our desire to benefit these students is also evidenced by their identification in the school's admission

policy.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra 1:1 support or small –group support
- Providing a Pupil Premium Mentor
- Supplying everyday resources, internet access, laptops etc
- Funding educational trips and visits
- Providing a counselling service
- Providing supported and unsupported homework clubs

- Providing access to Careers advice
- Providing extra tuition, where needed

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here: <https://www.wgsb.org.uk>

## **5. Eligible pupils**

The pupil premium is allocated to the school based on the number of eligible pupils in years 7-11. Eligible pupils fall into the categories explained below.

### **5.1 Ever 6 free school meals**

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census. It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### **5.2 Looked after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### **5.3 Post-looked after children**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### **5.4 Ever 6 service children**

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
