Firstly, you may want to retake the **Aptitudes assessment session**, which will take up to 2 hours, ideally in one session. If you want to do this please contact Mrs Walker twalker@wgsb.co.uk or Morrisby above who will re-set the assessments for you.

If you feel your interest have changed or you have changed since your last Morrisby assessment you have the option if you wish to RE-TAKE the Aspirations questionnaire and the Priorities questionnaire and Study Interests Questionnaire.

Once you have completed the assessments you will be guided through your results.

You will be presented with career suggestions to explore as well as appropriate study routes.

The site is highly interactive so you can explore many 'what-if' scenarios, re-complete questionnaires and plan your future.
